THE WALLED GARDEN

Apple Inc. (AAPL) designs, manufactures, and markets consumer electronics, software, and online services. Flagship products include the **iPhone, iPad, Mac, Apple Watch**, and a rapidly expanding services ecosystem encompassing the App Store, Apple Music, and cloud services.

The company operates in the **Technology Hardware and Consumer Electronics** sector, commanding a market capitalization of **\$3.77 trillion** as of Q4 CY2025. With over **2.2 billion active devices** globally and an installed base generating recurring services revenue approaching a **\$100B annual run rate**, Apple’s ecosystem lock-in remains unparalleled.

Employee count stands at **166,000**, generating an extraordinary **\$709,500 in profits per employee** — a testament to Apple’s operational leverage and premium positioning.

⚡ LEADERSHIP TRANSITION

Tim Cook stepping down after 15 years. **John Ternus** assumes CEO role in September 2026. Planned transition provides orderly handover; AI acceleration under new leadership is key watch item.
